Honoré de Balzac

La Grande Breteche

La Grande Bretèche is an addendum to Balzac's Another Study of Woman, and is the final of a set of stories told around a dinner table. This one, given to the guests at about two in the morning, is tale of marital infidelity and revenge, and perhaps might have given some of the audience a sleepless night. ( Nicholas Clifford)

Read by Nicholas Clifford . Total running time: 00:52:05
